

## Duncan Ennis, Executive Vice President of Operations

Duncan W. Ennis was promoted to Executive Vice President for CMI Capital Group on December 10, 2007. In his capacity, Mr. Ennis has developed a division which handles "select projects". This Select Project Group has a focus on those projects which will provide Humanitarian Benefit, particularly in the field of Traditional Energy and Alternative Energy.

The division he oversees handles various projects including:

- Film
- Mineral Exploration
- Alternative Collateral Projects and 144A Bond Financing - in order to assist needed project funding over \$100 million (with the goal of stimulating our economy by creating new jobs within these projects).
- Green Focus Projects
- Off Shore Projects

In addition, Mr. Ennis heads CMI Commercial Investment's International Operations, including CMI's 4 Divisions: CMI Commercial Investment, CMI Select Solutions, CMI GreenLight Film Finance and Royal Palm Business Capital. Mr. Ennis is a proud Graduate of Virginia Tech and credits the time he spent there as being integral to his personal professional development.
