

Martha Navarro, PhD, Grant/Bond and Tax Exempt Division Director

Responsible for regularly searching for governmental grants, bonds, tax-exempt programs, and various other projects to assist and coordinate with our lending parameters. This is especially beneficial for our governmental programs (schools, universities, government municipalities, etc.) and also our hospital fundings. Special governmental programs are also available for our: Humanitarian efforts, Minority led projects, Economic Improvements, “Green Energy”, Senior Citizen Care, Children’s Care, Native American Businesses, Women in Business, Hospitals, Children’s Hospitals, etc.
