About CMI Commercial Investment Company

Thank you for the opportunity to introduce our company to you.

We have 4 corporations in all: CMI Commercial Investment Company, Inc., CMI Capital Group, Inc., CMI Select Projects, and CMI Select Solutions, Inc.. CMI has been in business since 1996 with a home office in Michigan, which now has moved to Bonita Springs, Florida. Our company performs Commercial Loans …Only. We are an Intermediary for numerous Hedge Funds, Investment Groups, Trust Companies, Lenders and Private Investors. We have a Corporate Office nucleus of 10 Directors who have expertise in various Commercial Loan Divisions such as:

- • Green Projects,
- • Alternative Energy,
- • Hospitality,
- • Apartment Buildings,
- • Retail Malls,
- • Hard-Money,
- • Escrow Assistance,
- • Construction,
- • And Much More

As an example, we have a Director who works only on Hospitality…which includes hotels, spas, golf courses, resorts. If the client has a need to secure a Hotel loan, the loan will be assigned to the CMI Hospitality Director who works on hotels only (and like properties), this is a huge advantage. That Director can navigate the client’s loan with speed and expertise. As a well-trained professional in that particular division the CMI Hospitality Director can anticipate any problems in advance and reevaluate the client’s need, if necessary. With the constant changing world of finance, it is our Director’s job to know the daily changes in his/her field.

Currently, CMI has 88 employees as Sales Executives throughout the United States and Europe along with several Business Development Specialists who do nothing but look for additional Trust Companies and Private Investors in Europe, Asia and the US.

CMI Commercial Investment Company’s lending services are available nationally and internationally. Whether you are looking to finance an office building in Illinois, a warehouse in California, or financing a gold mine in Brazil; we are here to help you secure the best solution for your lending needs.
